

Cyntech was contracted to complete full upgrades to a Crude Oil Tank. The scope of work entailed lifting and levelling the tank, reconstructing the tank foundation with a secondary containment, leak detection system and screw piles.

This project was completed on a reimbursable contract and was finished on budget.

Tank details

- Tank number: 20-41
- Diameter: 60 ft
- Height: 40 ft
- Roof type: Fixed
- Floating roof: no
- Year built: 1956
